## 夹丝玻璃 Metal mesh laminated

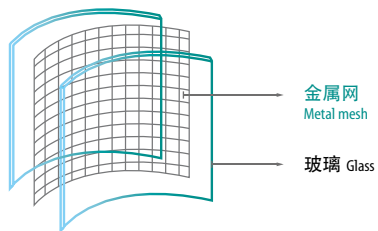

## 产品简介

**Crimetal®**系列产品将铝制和不锈钢制建筑用装饰性网格与玻璃面板夹胶，精致现代、富于美感。产品既具有夹胶玻璃的安全性，又具有金属的视觉效果。辅以特殊夹胶层，产品可具备阳光控制等特性，提供更多颜色选择。

## Definition

Decorative aluminum and stainless steel architectural meshes laminated to glass panels turn into a sophisticated and modern aesthetic solution. Cricursa Crimetal® melds the high visual quality of metals with the security of laminated glass. Combined with specialty interlayers, Crimetal® can provide high performance characteristics including solar control and different color options.

玻璃 + 金属网 Glass + Metal mesh

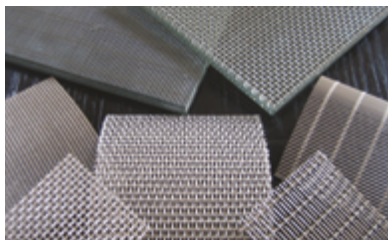

## 技术资料

**Crimetal®**通常使用钢化玻璃, 但某些情况下亦可使用退火玻璃。可制成夹胶玻璃和双层玻璃。

## Technical data

Crimetal® is usually manufactured with tempered glass. However annealed glass can be used for certain applications. It comes in two versions: laminated glass and a double-insulating glass.

## 玻璃类型

为更好地表现金属网格的质地和外观, 该产品全部使用超白玻璃制造。为更好地表现金属网格的质地和外观, 该产品全部使用超白玻璃制造。

## Glass type

To enhance the texture and looks of the metal mesh of choice, Cricursa always manufactures this product with extra-clear glass.
